## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Agriculture, Office of Administration, Office of State Courts Administrator, Department of Economic Development, Department of Elementary and Secondary Education, Department of Insurance, Financial Institutions, and Professional Registration, Department of Natural Resources, Department of Corrections, Department of Labor and Industrial Relations, Department of Revenue, Missouri Department of Transportation, Joint Committee on Administrative Rules, Missouri Ethics Commission, Office of State Treasurer, City of Kansas City, Boone County Collector, and Special School District of St. Louis** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of Prosecution Services** did not respond to **Oversight's** request for a statement of fiscal impact. However, in response to earlier versions of this proposal, the OPS assumed the proposal would have no fiscal impact on their organization.

Officials from the **Office of Secretary of State (SOS)** did not respond to **Oversight's** request for a statement of fiscal impact. However, in response to previous versions of this proposal, the SOS stated the fiscal impact for this proposal is less than \$2,500. The SOS does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the SOS can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the costs of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the Governor.

No other local governments from cities, counties, schools, or utilities responded to **Oversight's** request for a statement of fiscal impact.
